

2026 Admission Information on English-taught Postgraduate

Programs

Fudan University

--Fudan Belt-Road Pioneer Program

Fudan University, established in 1905, is a comprehensive research-oriented university that strives for a world-class undergraduate education and a postgraduate educational system with international influence. It holds 30th place in the 2026 QS World University Rankings. The university encompasses 12 disciplines, including philosophy, economics, law, education, literature, history, science, engineering, medicine, management, arts, and interdisciplinary studies. Twenty of its disciplines have been selected in the second stage of the “Double First-Class Initiative” released by the Ministries of Education of China, while 21 disciplines rank among the top 1% of the world in the Essential Science Indicators (ESI), and 10 disciplines rank among the top 1%. Fudan currently has 59 academicians of the Chinese Academy of Sciences and the Chinese Academy of Engineering, 12 National Key Laboratories, 4 National Medical Centers, and 15 Key Laboratories of the Ministry of Education. The university’s international influence in sustainable development ranks first among universities in mainland China.

Majors Available

Please check the list of the 2026 English-taught postgraduate program list at:

<https://iso.fudan.edu.cn/isoenglish/wnlinewwpplication/list.htm>

Instructions on Filling in and Uploading Documents in the Online Application System

Instructions on filling in the application system

1. It is recommended that international students use the Windows operating system and the Chrome browser to log in to the online application system, in order to avoid system display problems and difficulties in filling out the application form. Please do not use the system using Apple's Mac operating system, tablets, or mobile phones to log in or operate the online application system.
2. To apply for a doctoral program, please contact your supervisor first and then apply online after the supervisor agrees to accept it, otherwise your application will be considered invalid. You can contact school/department for mentorship information of doctoral program and specific program information ([link](#)).
3. Applicants can only apply for one major for the same period. If you are not accepted by the chosen major, you can apply for another major again within the valid application period.
4. Please carefully choose 'Yes or No' on 'Whether to accept a transfer to another major or professional direction'. 'Yes' means that you agree to accept a transfer to other majors or research directions at the same level in the department and the program.
5. Please correctly fill in 'Passport name', 'Passport number' and 'Date of expiry of passport' (Only ordinary passport is accepted and the expiry date should be after March 1, 2027).
6. Applicants in the final year of university should select 'Student' for 'Occupation'.
7. Please correctly and completely fill in information in the module of My Contact Information, including Contact Person/Receiver, Phone Number, Address and Postal Code, for the university to reach the applicant. The address in Chinese mainland should be written in Chinese, while the address outside Chinese mainland should be written in English.
8. Please fill in your complete 'Education background' from primary school until present by clicking the 'add' button.
9. 'Family Members' is mandatory. Please correctly and completely fill in information of your parents and other family members by clicking the "add" button. One of the family members should be set as the emergency contact person.
10. 'Contact Person in China' refers to the person in China that can be reachable during the applicants' study period in China.
11. 'Personal Statement' must be less than 1500 Chinese characters or 5000 English characters (both including punctuation marks and space). If the limit is exceeded, the content may be submitted under 'Supplementary Materials'. The content should include (but not limited to) your study and work experience, academic achievement, expected research proposal, and career plan after graduation, etc.
12. Two recommendation letters are required, which should be signed by the recommenders and should be original in color. Electronic signatures are not

accepted. If the letters cannot be uploaded by the applicant, select 'send link to the recommender' and click 'send link to the recommender immediately' after filling in the corresponding information. The recommender should submit the recommendation letter within 15 days and no later than the application deadline.

If you choose to send a link to the recommender, please check the progress of the recommendation letter in the application system after formally submitting the application. If the link is filled in incorrectly or you need to re-fill the content, please contact isoadmission@fudan.edu.cn through E-mail after submitting the application.

13. Applicants who apply for the scholarships must upload the *Foreigner Physical Examination Form*. The form should be filled out by the hospital in Chinese or English. The report is valid for six months. Applicants currently residing in China may submit the *Residence Permit or the Foreign Permanent Resident ID Card* in substitute for *the Foreigner Physical Examination Form*.
14. Applicants may save the filled and uploaded information by clicking 'Save as draft' at any time, and all filled and uploaded information will remain. If applicants want to continue, please select 'Continue' in 'My application' section.
15. For the 'attachment' in 'published works and papers' under 'other information', only the abstract needs to be uploaded, not the original text.
16. If you cannot provide the '*Statement of non-criminal record*' and '*Proof of Financial Capacity*' within the application period, or if you have any questions due to special circumstances, please contact us by email isoadmission@fudan.edu.cn and explain the relevant situation.
17. During the application process, if the system indicates that you need to fill in the admission code, please contact relevant department/school ([contact information](#)).

Instructions on uploading documents in the application system

1. All uploaded files must be scanned copies in color (in PDF or JPG format) of the original documents. For the same type of files, please merge them into a single file in chronological order before uploading.
2. *Statement of Personal Financial Capacity or Financial Support* is mandatory. The financial guarantor must be a natural person with full civil capacity, aged above 18 with stable source of income. The financial guarantor should truly and correctly fill in <[Statement of Financial Support for International Students](#)>, and provide the following documents: (1) Scanned copy of the guarantor's own passport (non-Chinese citizen) or ID (Chinese citizen); (2) The guarantor's own Bank Deposit Certificate (①The minimum amount should be 100,000 RMB or equivalent foreign currency; ② The Certificate should be original or notarized copy, with notarized Chinese or English translation, if original is not in Chinese or English).
3. The ID Photo must be a recent bareheaded and full-faced color photo with white or blue background. Black and white photo, artistic photo, and selfie are not accepted.
4. In 'Visa/Residence Permit' field, please upload the current valid visa or residence

permit as required in Application Brochure.

5. Please upload the complete original transcript or the notarized copy in color of the highest degree conferred. Applicants in their final year should upload their complete transcripts as of the application date.
6. The TOEFL, IELTS, Duolingo and PTE score must be issued within 2 years from the date of examination. Applicants who are exempt from submitting the language certificate and score may substitute it with a certificate indicating the language of instruction of their previous degree.
